## **General Event Information**

**Pit gates open at 3:00 pm on race days**

**Sign-in begins at 3:30 pm on race days**

**Call Brenda Cordier @ (610) 781-8790 if running late**

**Driver's Meeting 5:00 pm on race days**

**Warmups at 5:30**

**Pit passes are \$25.00 per person.**

**Transponders must be rented for \$5.00 per car**

**Scoring and Event insurance provided by Shellhammer's Speedway**

**No Rain dates. In the event of inclement weather, the following protocol will be followed: If deemed necessary, said event will be called 2 hours prior to the driver's meeting.**

**If experiencing inclement weather in your area on race day, please call (610) 698-2729 for up-to-date information.**

**NOTE: Every effort will be made to run the show and cancellation will only be in the event of track not being salvageable due to severe/prolonged storms. If no cars make it onto the track, car registration and pit passes will be fully refunded. Once the first car hits the track and event needs to be cancelled, only car registration will be refunded.**

**Pit passes are only good for entry into the main Fair (food and live entertainment areas) but DO NOT GRANT ACCESS TO RIDES.**

**EMS & Fire Company on site specifically for races**

**For additional information, email [ritwyo@aol.com](mailto:ritwyo@aol.com)**

## **Stock Cars Rules**

- 1) Any 4-cylinder vehicle may compete. No trucks or vans.
- 2) All vehicles must be COMPLETELY STOCK. No racing parts of any kind allowed.
- 3) Doors must be welded, bolted or chained shut.
- 4) All glass, plastic and flammable items must be removed. No mirrors
- 5) Sunroof or T-tops must be safely covered.
- 6) Bumpers may not be reinforced but may be chained on to prevent loss.
- 7) Mandatory brace behind driver's seat from side to side, with halo extended to roof, bolted or welded. Driver door bar and/or rub rail mandatory. Must be flush against body.
- 8) Approved helmet, fire suit, neck brace or collar, and gloves are mandatory.
- 9) Window net is mandatory. (dropdown)
- 10) Trunks must be empty and clear of debris. No added weight anywhere.
- 11) Hood must be securely fastened with inside hood release disabled. A 12-inch hole in hood or tool-less entry in case of fire.
- 12) Rear wheel drive vehicles must have front hoop on drive shaft.
- 13) Exhaust must exit behind driver.
- 14) Fuel tank: A stock tank in stock location allowed if forward of axle. May be moved safely to trunk. Fuel cells are allowed. Must have divider between driver and tank.
- 15) D.O.T. tires only with 200 minimum tread wear. Wheel weights must be removed. ALL RIMS MUST BE THE SAME SIZE. Tires may be different sizes.
- 16) No modifications or reinforcement of suspension allowed.
- 17) Stock 3-point seatbelt allowed. 4-point racing belts allowed and RECOMMENDED.
- 18) NO PASSENGERS. Air bags must be removed.
- 19) Transponder mount hole where passenger seat was, even with the driver's butt.
- 20) No front hoop or any type of reinforcement to protect radiator.
- 21) Promoter and/or Tech Inspector have the right to allow/disallow anything.
